

# RPC Group of Companies

RPC Singapore Pte Ltd

PT RPC Indonesia

RPC Technologies Pty Ltd

RPC Pipe Systems Pty Ltd

RPC International Sdn Bhd  
(Malaysia)

RPC Technologies Co Ltd  
(Thailand)

## RPC SERVICES BY SECTOR

### DEFENCE

- Sonar domes and masts
- Sonar acoustic windows
- Repairs and maintenance
- Through-life support
- Bridging
- Ballistic protection
- Spall liners
- Spall curtains
- Vehicle components

### INFRASTRUCTURE

- PermaGRP® piping and fittings
- Odour containment including covers/lids/biotrickling filters
- GRP ducting and dampers
- Maintenance works
- Vent sewer shafts and stacks
- Sewerage pump housing
- Permaglass® downhole and borecasings

### RESOURCES + ENERGY

- PermaGRP® piping and fittings
- Cooling water piping
- Mixers and settlers
- Pulse columns
- Stacks – FGD
- Site jointing
- Large diameter tanks
- Mine vent ducting
- Light weight mine vent ducting
- Support, design and fabrication

### RAIL SYSTEMS

- Rail car refurbishment
- Passenger/Light rail
- *Specialising in:*
- Driver cabs
- Seating solutions
- Interior/Exterior lining solutions
- Lighting solutions
- Front ends
- Toilet modules
- Bonnets
- Site assemble and repairs

### OIL + GAS

- PermaGRE® Pipe Systems
- PermaGRP® Pipe Systems
- PermaGRE® downhole and casings
- GRP piping and fittings
- Design and engineering
- Support design and fabrication shop
- Spooling
- Site jointing
- Site training and installation

### PIPE SYSTEMS

- Flowtite® GRP pipe systems
- Flowtite® GRP pipe Fittings
- PermaGRP® pipe systems
- PermaGRE® pipe systems
- AMIJACK™
- FATJACK™
- Permaglass® downhole and borecasings
- Site training
- Shop spooling
- Site jointing

### ADVANCED COMPOSITES

- Architectural GRP structures
- Durabowl® toilet
- Supatuff® toilet
- PermaVent®
- PermaStack®
- PermaGRE® tubing and casing
- Mine Vent Duct (MVD)
- Light Weight Mine Vent Duct (LWMVD)
- Architectural panels
- Composite construction products
- Composite engineering and manufacturing

### ENGINEERING

- GRP engineering and design of composites
- Computer aided design (CAD)
- 3D modelling
- Finite Element Analysis (FEA)
- Materials engineering and product development
- Structure failure analysis
- Expert witness work
- Specification writing
- Material testing
- Independent design reviews
- Design of prototypes

### SITE SERVICES

- Installation of GRE, GRP and GRVE
- Installation includes laminating, mechanical fitting, pipe fitting and rigging
- Jointing
- Testing
- Secondary steel installation
- Supervision and management
- Tailor made solutions
- Installation of clients products
- Training and certification

### Markets

Defence  
- Land Systems  
- Sea Systems  
- Air Systems

### Markets

Infrastructure  
Water  
Wastewater  
Industrial  
Odour Control

### Markets

Coal Seam Gas  
Mining  
Power Stations  
Energy

### Markets

Automotive  
Rail Systems  
Passenger Rail

### Markets

Coal Seam Gas  
Natural Gas  
LNG  
Unconventional (Shale)  
Oil (On and Offshore)

### Markets
